TEXAS

**Public Information
Request (PIR)
Application**

Under Chapter 552 - Texas Public Information Act of the Government Code, I request the following information from the City of Newark. I understand that my request will be handled in accordance with the Public Information Act and that the records requested will be provided within the ten (10) business days unless the records are considered confidential by law. I understand that every effort will be made to expedite my request but due to personnel demands and schedules, there may be times when the disclosure of the requested information may take the full ten (10) business days. In some cases, the Texas Attorney General may have to make a ruling on a request, when this happens I will be notified that the request will take longer than the ten (10) business days.

Please specify as clearly as possible the particular information being requested. This may include the name of the document, time frame involved or the type of information. Please note that a request of "any and all information" is not sufficient as a description and will delay the process.
